## Seawolf Dining 2017 Meal

\* \* PLANS \* \*

### How the Meal Plan Works

Each meal plan provides a block of all-you-care-to-eat "meals" in the Creekside Eatery located on residential campus, along with varying amounts of "dining dollars" that may be used at all Seawolf Dining establishments across campus. Meal blocks and dining dollars are loaded onto your WOLFcard, allowing you to simply swipe your card for meals, coffee, snacks, etc.

# 1

## Complete Cuisine \$2500

This plan provides a bucket of meals plus dining dollars to spend at any Seawolf Dining location throughout the semester. PLUS -- meal exchanges! Exchange a meal valued at \$8 at all other Seawolf Dining locations.

**250 Meals & Exchanges**  
**\$100 Dining Dollars**

### Meal Plans

While available to all WOLFcard holders, Meal Plans 1 - 4 are specifically designed for housing students and are mandatory while residing in resident halls.

### How Do I Choose?

When choosing a meal plan, take a moment to review your schedule and consider anything else that might affect when you'll eat most of your meals.

### Selecting a Meal Plan

Housing students can select a meal plan on their Housing Self-Service page via UAOnline during a designated time after room assignments are finalized. Students will receive an email from the Housing Office once this option is available. If you don't make a selection the default option will be billed to you - **Weekly Servings 14 (number 2)**.

At the end of the semester you can renew your current meal plan, or choose a different plan for the spring semester. Liked your plan? Housing students will auto renew with the fall plan.

# 2

## Weekly Servings \$2250

Never run out! This plan guarantees you'll have meals through the end of the semester. You'll be provided with 14 or 18 meals per week to use at the Creekside Eatery plus dining dollars to spend at any Seawolf Dining location. Unused meals are forfeited at the end the week.
